## **Introduction**

My chessfriends,

Collecting the data, researching material and analyzing the games took me a long time. This writing is a supplementary work which contains corrections, improvements to the recently published studies in this field. Although they seem easy, I noticed, the top grandmasters' endgames are full of mistakes, inaccuracies. This situation becomes even worse with the huge masses of open players, their knowledge of endgames leaves a lot to be required. That was the main reason why I wrote this book. The endings of important games which were played recently were given priority, especially those of leading grandmasters. I omitted commentaries that can be found in the above mentioned works. The symbols and signs can easily be understood in the "international language" of chess.

Last but not least I would like to say thank you everybody who contributed in any way, to the writing of this book.

*The author*

## **Einführung**

Der verehrte Leser hält ein ergänzendes Werk in der Hand, das Vervollständigungen, Verbesserungen, Verfeinerungen für die in den letzten Jahrzehnten erschienenen Publikationen von ähnlichem Thema enthält. Obwohl sie scheinbar einfach sind, habe ich gemerkt, dass in den Endspielen, die aus den Partien der Spitzenspieler entstehen, viele Fehler, Ungenauigkeiten zu finden sind. Umso mehr ist das über die Menge der an den Open Turnieren teilnehmenden Schachspieler zu sagen, deren Endspielwissen weit hinter ihren Eröffnungskenntnissen zurückbleibt. Unter anderen war es der Grund, weshalb ich mich zum Schreiben dieses

Werks entschlossen habe. Ich stützte mich in großem Maße auf die Klassiker. Genauso hervorgehoben sind die wichtigeren Partieendspiele der nahen Vergangenheit, insbesondere die von führenden Großmeistern. Ich habe die Textbemerkungen, die in den oben erwähnten Werken enthalten sind unterlassen, auf der „internationalen Sprache“ vom Schach sind doch die Zeichen, Symbole für alle verständlich.

Schließlich möchte ich mich bei allen bedanken, die mit ihrer Hilfe zum Entstehen dieses Buchs beigetragen haben.

## **Préface**

Cher lecteur, vous avez en main une œuvre qui par ses corrections et ses affinements vient compléter des publications à thèmes similaires parues lors des précédentes décennies. Malgré leur simplicité apparente, je me suis aperçu que dans les fins de parties de joueurs de l'élite professionnelle, se trouvent d'innombrables fautes et imprécisions. Ceci est encore plus évident si on pense aux foules participant à des opens et dont les connaissances des finales sont bien faibles par rapport aux ouvertures. Ce fut l'une des raisons qui m'a motivée à écrire cet ouvrage. Lors de mon travail, je me suis appuyé sur des grandes études classiques. Les plus importantes rencontres du passé récent, surtout celles des Grand-Maitres de l'élite ont également une place dominante. J'ai évité les commentaires parce qu'ils existent déjà dans les ouvrages cités ci-dessus puisque de toute façon, le langage international des échecs (les symboles et signes) est compréhensible par tous.

En conclusion, j'aimerais remercier tous ceux qui m'ont aidés à réaliser ce livre.

## Bevezető

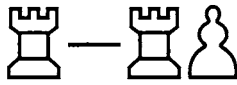

A sorozat második kötete a bástyavégjátékok titkaiba avatja be az olvasót. A mű kiegészítés az utóbbi évtizedekben megjelent hasonló témájú publikációkhoz, javításokat, finomításokat tartalmaz. Látszólagos egyszerűségük mellett felfigyeltem, hogy az éljátékosok játszmáiból létrejövő végjátékokban számtalan hiba, pontatlanság található. Még inkább elmondható ez a nyílt versenyeken résztvevő sakkozók tömegeiről, akiknek végjáték tudása messze elmarad a megnyitási ismereteik mögött. Többek között ez volt az oka, hogy rászántam magam e művek megírására. Nagyban támaszkodtam a klasszikusokra, akik elévülhetetlen érdemeket szereztek a bástyavégjátékok titkainak megfejtésében. Ugyancsak kiemelt helyen szerepelnek a közelmúlt fontosabb játszmáinak befejezései, különös tekintettel a vezető nagymesterekre. Mellőztem a szöveges megjegyzéseket, amelyek megtalálhatóak a fent említett művekben, a sakk „nemzetközi nyelven” úgyis mindenkinek érthetőek a jelek, szimbólumok.

Végezetül szeretném megköszönni mindenkinek, aki segítségével valamilyen módon hozzájárult e könyv megszületéséhez.
